

Our Firm

OLH Inc. (OLH) is an Atlanta-based firm founded in 1993 to offer comprehensive, specialized Project, Program, and Construction Management services. We are a small woman-owned firm, recognized for our ability to consistently deliver quality service on projects that are completed on schedule and within budget.

OLH helps clients track and measure performance, integrate and maintain control of cost and schedule, accurately predict the outcomes of the projects and overall program, and communicate project and program status to all project participants in a timely, effective manner. We do this with a staff that is well versed in the latest Project Management software, technology, and methods.
